

Sales Lead for the EIT Digital Professional School

The Professional School

This is an exciting opportunity in the EIT Digital Professional School developing a continuing education course portfolio, designed to provide critical digital knowledge, insights and skills to European professionals and executives. For the course development and deployment, we partner with Europe's high-ranking universities of technology and EIT Digital industry partners. The Professional School is part of the EIT Digital Academy, a unique blend of the best of technical excellence and entrepreneurial skills to digital engineers and professionals at all stages of their careers. The EIT Digital Academy operates through four schools: Master School, Doctoral School, Professional School and Summer School.

Your Role

You will drive the sales of the EIT Digital Professional School portfolio by actively seeking out prospects and pursuing sales opportunities. You are a dynamic self-starter who can demonstrate a proven track record of finding and developing sales opportunities. You will be able to build a strong rapport with leads, future participants and client companies, and effectively communicate the benefits of our professional education for their professional growth. You will work closely with the Professional School Head and Marketing and Portfolio Lead in building the most effective solutions for developing the customer base. The ideal candidate is someone with high energy, is result-oriented and with a curiosity about digital innovation and entrepreneurial education.

About EIT Digital

EIT Digital is a leading European digital innovation and entrepreneurial education organisation supporting the creation of a strong digital Europe.

EIT Digital focuses on building and scaling ventures, and breeding and up-skilling talents to equip them with both digital and entrepreneurial skills. It does this by mobilising a pan-European ecosystem of over 300 top European corporations, SMEs, start-ups, universities and research institutes. As a Knowledge and Innovation Community of the European Institute of Innovation and Technology, EIT Digital is focused on entrepreneurship. It is at the forefront of integrating education, research and business by bringing together students, researchers, engineers, business developers and entrepreneurs. This is done in our pan-European network of Co-Location Centres in Berlin, Budapest, Eindhoven, Helsinki, London, Madrid, Paris, Stockholm and Trento. We also have a hub in Silicon Valley. For more information, visit www.eitdigital.eu.

EIT Digital is an equal opportunity employer and values diversity. To build a strong digital Europe that works for everyone, it is vital that we have a diverse range of skills, knowledge and experience in the sector. Therefore, we welcome applications from anyone who meets the below criteria and encourage applications from women, ethnic minorities, and other underrepresented groups.
