EIT Digital Accelerator

The EIT Digital Accelerator (www.eitdigital.eu/accelerator) is at the heart of the EIT Digital strategy and supports growth of deep tech digital scaleups by helping them secure enterprise customers and investments in Europe. The EIT Digital Accelerator has been recognized as a world's top public Business Accelerator by UBI Global, and as one of the top 4 accelerator brands in Europe, according to Startup Heatmap Europe.

The Accelerator team is a distributed, pan European team of high profile business developers and fundraising specialists. We scout fast-growing deep tech European scaleups, admit them into the Accelerator, and, during the acceleration period, we support them in acquiring customers and raising funds from Venture Capital investors or Corporate Funds. Admitted scaleups are seeking to raise investments between 5 and 15 M€.

The Role

The **Scaleup Fundraising Specialist** is a member of the Access-to-Finance (A2F) team of the EIT Digital Accelerator. You will be responsible for initiating, driving, and closing series-A/B fundraising rounds for scaleups in our portfolio that are looking to raise venture capital from European investors and corporate venture funds.

Main Responsibilities

- Close fundraising deals for our portfolio scaleups with target investors in your region to meet investment targets for those scaleups;
- Build tailored investor lists and drive the fundraising process to get firm commitments on term sheets, funding amounts and deal closure timeline;
- Prepare fundraising collateral for the scaleups (business plans, teasers, pitch decks), fine-tuning their financing needs (amount, timing, use of proceeds, valuation);
- Organize matchmaking opportunities between the scaleups and target VC funds, Corporate Venture funds, family offices, and national funding agencies;
- Execute investor engagement activities in your region, to increase visibility & recognition of EIT Digital Accelerator as a credible source of top quality deal flow.

This position reports to the Head of the EIT Digital Accelerator.
