

EIT Digital Management Committee

Heiko Stoermer

Node Director, Trento

Heiko Stoermer has 15+ experience as tech leader with a strong background in R&D.

He received a degree in Computer Science in Germany and completed his PhD in the same field at the University of Trento.

One of the main highlights of his carrier was to receive a multi-million euro FP7 grant from the European Commission to develop a Large-scale Integrating Project. This led to the creation of a start-up, OKKAM srl, a spin-off of FBK and University of Trento. After 7+ years in Trento, he returned to Germany and worked for Hybris Software as Director. The company was then acquired by the industry leader SAP and for the last 7 years he had different roles and responsibilities, such as Senior Vice President of the Cloud Services & Support, and Senior Vice President, Open Data Initiative.

Heiko recently returned to Trento and he is highly motivated to join EIT Digital as Node Director for Italy. He is ready to support entrepreneurs to succeed and our Italy to accelerate on the digital transformation.

EIT Digital

We believe in making and shaping a competitive digital Europe that is inclusive, fair and sustainable and aim at global impact through European innovation fueled by entrepreneurial talent and digital technology.

We embody the future of innovation by mobilizing a pan-European multi-stakeholder open-innovation ecosystem of top European corporations, SMEs, startups, universities and research institutes, where students, researchers, engineers, business developers and investors address the technology, talent, skills, business and capital needs of digital entrepreneurship.

We build the next generation of digital ventures, digital products and services, and breed digital entrepreneurial talent, helping business and entrepreneurs to be at the frontier of digital innovation by providing them with technology, talent, and growth support.
