

EIT Digital Management Committee

Roberto Prieto

Chief Education Officer

Prof. Prieto received Master and Doctoral degrees in Electrical Engineering from the Universidad Politécnica de Madrid (UPM), Spain, and became Full Professor in 2016.

He is co-author of over 120 technical papers in peer-reviewed international conferences and journals and he is coauthor of 2 patents and 3 software brands, which two of them are in commercial operation.

He served as Vice-President for Research at UPM. He was the UPM representative at the technical commission of RedEmprendia (University Network for Entrepreneurship accelerators). He was the Director of the Transfer Technology Office (TTO) at UPM and the President of the National Spanish network of Technology Transfer Offices (RedOTRI-CRUE).

He also served as advisor of the General Secretary of Science and Innovation for collaborative programs with Universities at the Spanish Ministry of Science.

EIT Digital

We believe in making and shaping a competitive digital Europe that is inclusive, fair and sustainable and aim at global impact through European innovation fueled by entrepreneurial talent and digital technology.

We embody the future of innovation by mobilizing a pan-European multi-stakeholder open-innovation ecosystem of top European corporations, SMEs, startups, universities and research institutes, where students, researchers, engineers, business developers and investors address the technology, talent, skills, business and capital needs of digital entrepreneurship.

We build the next generation of digital ventures, digital products and services, and breed digital entrepreneurial talent, helping business and entrepreneurs to be at the frontier of digital innovation by providing them with technology, talent, and growth support.
