JULY 2019

Dear Colleagues, Partners and Friends of EIT Digital,

Much has happened at EIT Digital this month and I'm happy to present a selection of our activities for a strong digital Europe.

Before leaving for your well-deserved holidays, make sure to register for the **EIT Digital Conference** on September 10 in Brussels. Confirmed speakers include MEP Eva Kaili, European Commission Director Despina Spanou, Vodafone Institute's Nuria Oliver and Konux CEO Andreas Kunze, to name a few. Besides inspiring debates and interventions, the conference's Innovators Village will feature more than 50 digital innovations that will shape the future of Europe.

In this edition, you will read about the opening of our **new Braga Satellite**, honored by Portugal's Minister for Science, Technology, and Higher Education Manuel Heitor. You will also learn that a record number of scaleups applied for the **EIT Digital Challenge** competition and discover how **Innovation Activity 5G Biller** facilitates correct billing and revenue sharing between different service providers.

Last, but not least, we are very proud to announce that the **EIT Digital Master School** has been nominated as **Best ICT Educator**.

I wish you a restful summertime and look forward to meeting you on September 10 in Brussels to join up for a strong digital Europe!

Willem Jonker
CEO, EIT Digital

More than 50 exhibitors at EIT Digital's annual conference

The EIT Digital Annual Conference 'For a Strong Digital Europe' on 10 September in Brussels features a record number of more than 50 exhibitors, showcasing digital innovation that will shape the future of Europe.

Facilitating correct billing and revenue sharing between service providers - 5G Biller

5G technology will not only enable new services for customers: it will also be a great source of revenues. Correct billing and revenue sharing between different service providers, however, might not be easy. That's where EIT Digital-supported innovation activity 5G Biller comes into play.
