

The EIT Community seeks EIT House Management Assistant

About us

The European Institute of Innovation and Technology (EIT) has been set up in 2008 with the mission to contribute to the competitiveness of Europe, its sustainable economic growth and job creation by promoting and strengthening synergies and cooperation among businesses, education institutions and research organizations and to create favorable environments for creative thoughts, to enable world-class innovation and entrepreneurship to thrive in Europe. The EIT is an integral part of Horizon 2020, the EU's Framework Program for Research and Innovation.

The EIT fulfils its mission through the Knowledge and Innovation Communities (KICs). Currently there are six KICs addressing the following societal challenges: digital transformation (EIT Digital), climate change (Climate-KIC), energy (EIT InnoEnergy), health (EIT Health), raw materials (EIT RawMaterials) and food (EIT Food).

The EIT House in Brussels

The EIT and the KICs have jointly created the EIT House in Brussels in 2017 to enhance their positioning efforts and increase their visibility, e.g. by disseminating success stories, fostering dialogues and by practically contributing to European policy agendas.

The EIT House is a dedicated space for all six KICs and the EIT to host events, meetings and exhibitions. The EIT House is also used as a temporary working space for the KICs and their Partners.
