

ARISE EUROPE: BRINGING EUROPE CLOSER TOGETHER

ABOUT EIT DIGITAL ARISE EUROPE

ARISE Europe, is EIT Digital's virtual node connecting RIS countries' local ecosystems to EIT Digital pan-European network. Thanks to strategic partnerships in Southern and South-Eastern Europe, CEE and the Baltics, the innovation landscape is permanently scanned for new entrepreneurs to support, scaleups to include in the EIT Digital Accelerator, students to connect to the EIT Digital Academy, organisations to engage in EIT Digital's Innovation and Education Activities.

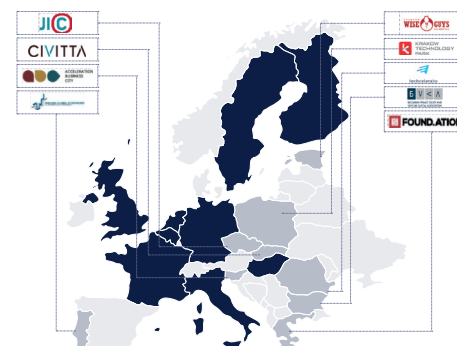

EIT DIGITAL MISSIONS IN RIS COUNTRIES

- Connect local ecosystems to EIT Digital's network
- Support the establishment of tech-based ventures
- Connect local scaleups to EIT Digital Accelerator
- Educate digital entrepreneurs

ARISE EUROPE NETWORK

- 9 collaborating Innovation Centers
- 3 partner Universities: University of Ljubljana, TU Tallinn, ISCTE-IUL

PAN-EUROPEAN ECOSYSTEM
