

EIT DIGITAL PARTNERSHIP MODELS

EIT DIGITAL PARTNER CATEGORIES

1. Members
2. Linked Third Parties
 - 2.a Affiliated entities, e.g. local subsidiaries or branches of Member organizations
 - 2.b Entities affiliated with a legal link with a Member organization for purposes unrelated to EIT Digital, e.g. national or regional ecosystem organizations
- 3. External Partners (membership with limited duration, yearly)

RIGHTS AND OBLIGATIONS

- Partnership status opens the Digital Entrepreneurship Academy and Digital Innovation Factory, and the entire ecosystem for you to collaborate. You are invited and expected to play an active role in creating a strong digital Europe.
- Partners have to pay yearly membership fees (see below).
- Members have voting rights in the EIT Digital General Assembly; Members and Linked Third Parties participate in their local Node Strategy Committee meetings.

EIT DIGITAL PARTNERSHIP FEES

Members or Linked Third Parties with a legal link (2.b above)

- €25,000 for large enterprises, research institutes and universities
- €10,000 for mid-size SMEs
- €5,000 for other SMEs

Linked Third Parties - affiliated entities (2.a above)

- exempt of membership fee

External partners (membership with limited duration, yearly)

- €12,500 for large enterprises, research institutes and universities
- €5,000 for mid-size SMEs
- €2,500 for other SMEs
