

Biography

Arnaud Delmarcelle

CFO (Chief Financial Officer)

Arnaud Delmarcelle received a Master's degree in Commercial Engineer from Solvay Business School at the Université Libre de Bruxelles (ULB), Belgium.

He has 20 years of experience in finance and administration in various sectors with a consistent growth path in Finance.

He started his career as Financial Auditor at the audit and advisory firm Mazars, then he moved into different financial roles across a broad range of industries and geographies, such as IMS Health Belgium (the leading global provider of business intelligence and strategic support for the pharmaceutical and healthcare industries), Virgin Express (airline company) and Brussels Airlines after the merge of Virgin Express and SN Brussels Airlines.

He also held the position as Chief Administration and Finance Officer for a public investment fund (BIO, Belgian Investment Company for Developing Countries) acting as member of the Executive Committee.

He also held the position of Finance and HR Director at Mediafin (editor of financial newspapers) for the past 10 years.

Arnaud is bringing his expertise in controllership, accounting and financial business analysis.
