Investors Dinner goes Europe (Start-ups & Investors only)

Participants: 14 European ICT start-ups, 30 European Angel Investors and VCs

Location: tba

Date: Tuesday, March 18th, 2014, Starting at 05:45 pm (until approximately 11:00 pm)

Requirements: Angel Investors: participation at the preparatory Angelsbootcamp at the 17th and 18th of March in Berlin. VCs by personal invitation.

Content of the Investors Dinner: Media.net in cooperation with the German node of the EIT-ICT Labs has established an international matchmaking event: the “Investors’ Dinner goes Europe”. At this highly exclusive event European Angel Investors and venture capital firms meet with innovative and promising seed-stage startups from the Information and Communication Technologies sector.

In an exclusive dinner situation in the center of Berlin, the startups sit together at a table with the Investors and pitch their idea and business plan. 14 selected European startups will get the opportunity to communicate with 30 European seed investors (Angel Investors from Angelsbootcamp and international VCs like Earlybird, Index, Balderton, Wellington). Every startup will get the chance to speed-date the participating investors during the time of the dinner. Only investors and one participant per startup will be invited. http://www.medianet-bb.de/DE/id364aid287o0_rueckschau.html
