1st “Investors’ Dinner goes Europe”

Meet European investors at an exclusive dinner

February 26th 2013
Berlin, Germany

Dear ICT-Startups,

EIT ICT Labs and media.net berlinbrandenburg would like to invite you, to meet European investors at the first edition of “Investors’ Dinner goes Europe” on

Tuesday, February 26th, 2013

Starting at 06:00 pm (until approximately 11:00 pm)

With the “Investors’ Dinner goes Europe” the media.net has established a matching event, where European venture capital firms meet with innovative and promising seed-stage startups from the digital media and technology sectors. In cooperation the German node of the EIT-ICT Labs, will host a highly exclusive European ICT-Labs investors dinner in Berlin.

In an exclusive dinner situation in the center of Berlin, the startups sit together on a table with the VCs and pitch their idea and business plan. 20 selected European startups will get the opportunity to communicate with 13 European seed investors. Every startup will get the chance to speed-date all the participating investors during the time of the dinner. Only investors and one participant per startup will be invited.

The EIT ICT Labs German node invites European ICT startups to apply for this high-class event.

Deadline for application January the 21st, 2013

The start-ups will be nominated by their local EIT ICT Labs network partners. Submit the attached one-pager via your local EIT ICT Labs Business Development Managers.

Travel costs might be covered by your local EIT ICT Labs correspondent, please get in contact accordingly.

We’re looking forward to meet you in Berlin.
